Our business has changed so much over the past few months. Our drive thru business has gone from 20% of our business to almost 100%. We are now offering online ordering. Go to our website [www.missioncoffeehouse.com](http://www.missioncoffeehouse.com) and click ORDER ONLINE to place your order and pay.

During this time, we have also implemented reloadable gift cards, updated our website, launched our online coffee subscriptions, mission t-shirts, mission stickers, mission travel mugs, new seating design to accommodate our guests who come inside, and most importantly given you the system to take your orders online to serve you the very best we can!!!

Thank you so much for your faithfulness, patronage, and support! We would have never made it without you!
