The Covid 19 Pandemic has presented us with challenges unlike anything we have experienced in our nearly 10 years of business. It has forced us to become adaptable and resourceful, We've implemented a new way of life and many things for the better. We've been enjoying our patio walk up window and creating new and creative ways to help keep families busy during times of quarantine. Offering cookie decorating kits, paintable cookies, and custom birthday cakes has allowed us to stay engaged with the community and the overwhelming support we have received has been absolutely humbling.
